WHY
LOOK
OLDER
THAN
YOU
ARE?

Your New Fall Suit?

Hadn't you better consider your corset first? The new shape is a necessity if you wish to be well dressed.

It is astonishing how many women, through lack of attention, are wearing a corset that gives a more mature appearance to the figure than it should, and consequently they appear five or ten years older than they are.

It is possible to improve this condition if you will come to our corset department and get a trial fitting.

See for yourself the youthful and graceful lines these famous corsets will give you.

Various committees will be named from the county at large and important work assigned them. We want the co-operation of the whole county. Ford

THE "UNIVERSAL" CAR

Three strong reasons urge you to buy the Ford Car: First because of its record of satisfactory service to more than fifteen hundred thousand owners; Second, because of the reliability of the company which makes it; Third, because of its large radiator and enclosed fan, streamline hood, crown fenders front and rear, black finish, nickel trimmings, it is most attractive in appearance. To these must be added its wonderful economy in operation and maintenance—about two cents a mile; likewise the fact that by reason of its simplicity in construction anyone can operate and care for it. Nine thousand Ford agents make Ford service as universal as the car. Touring Car \$360; Runabout \$345; Coupelet \$505; Town Car \$595; Sedan \$645—f. o. b. Detroit. On sale at J. G. Pittman's Garage.
